

Cultura Kids Spanish - Child Behaviour Code

Last Updated: 3 November 2023

Enjoying an activity means following the safety and behaviour rules so that everyone can get the most out of their experience.

At Cultura Kids Spanish, children are expected to:

- participate in activities as best they can; and
- follow the rules set out by their leader to a degree expected of a child of their age and ability.

Children are asked to:

- complete any coursework assigned to them; and
- let a member of staff know if they feel uncomfortable doing an activity so that something else can be arranged for them, where appropriate.

Where parents have been spoken to in the past about significant behavioural concerns, bookings should not be made without consulting with Cultura Kids Spanish first.
